## HOW IS THIS?

56 Lots Sold This Month  
Woodland Heights

Is the place to buy for either a home or for investment and now is the time to make your selection. These properties are being bought by real estate brokers, and many business and professional men who are far sighted and who know a "good thing."

## Free Sewer Service to Homebuilders.

Granolithic sidewalks, Telephones, Electric Light service, famous Chesterfield water piped to every home, and other city conveniences, combined with *Woodland Heights'* strategic location, superb views and unsurpassed trolley service, make this the greatest "all-round" proposition on the market to-day.

## Prices the Lowest.

Take Forest Hill cars to 30th Street and see the great "Battery Hill" and "Ferncliffe Road" sections. You will be amply repaid. We shall be glad to show you over *Woodland Heights* at any time.
